I understand by taking advantage of this promotion it will in no way change the provisions of the original note, and that if approved, it will extend the loan's repayment time period. I further understand that credit life and/or credit disability, debt protection, or GAP coverage on my loan(s) may not extend beyond the original maturity date. Please refer to your GAP policy for complete information. I further understand that I need to request this "skip" five (5) days, or more, prior to my loan payment date; and, that the \$35 skip fee will be added to my loan balance and the fee is considered a finance charge. I further agree to resume regular payments the following months.
